

Our mission statement

“Progress by Tradition – for our customers and staff in this generation and the next!”

For more than 240 years, responsible thinking and actions have been basic parts of our corporate culture.

As a long-standing company, part of our mission statement is dealing responsibly with staff, customers and suppliers. That is the only way to make sustainability possible within the meaning of win-win relationships.

“Progress by Tradition” means further development and innovation based on expertise and skills drawn from experience, passed on through the generations, in collaborative partnership with customers and suppliers. This creates top quality performances in which we take pride together!

Family business

“We are an self-determined family business managed by the 7th generation of the Butting family.

Our aim is to hand over a healthy company to the next generation!”

A family of employees

“We are a well-trained, international family of employees and we understand ourselves as people who learn something new every day.

We owe our innovative strength and ability to find solutions to many years of experience and teamwork, as well as to new ideas and unique personalities!”

Top performance

“A top performance is our inspiration! We are strong in the sectors of

- *Materials and welding technology*
- *Manufacturing technology and quality assurance*
- *Handling of major projects*

and we invest continuously in a successful future.”

BUTTING fans

“We are well known for quality and reliability.

We assume responsibility for our work – as well as for our mistakes. Our customers will be delighted with the service we render!”

Sense and quality of life

“We support the success of our clients and with our corrosion resistant products we support sustainability and quality of life.

With our economic success we assure our future as a self-determined family business and contribute substantially to the living standard of our employees and their families.”

A valuable cooperation

House of Collaboration 4.0

“We represent the values of our ‘House of Cooperation’:

- Mutual esteem
- Commitment to perform
- Honesty
- Openness
- Reliability
- Courage

In order to make our cooperation successful and joyful!”

A powerful, global network

“We create a powerful network with worldwide cooperation partners and through global market presence with BUTTING companies.”

Healthy, safe and environmentally friendly

“In organizing the workplaces of our employees we take care of health and safety of our employees and visitors on-site.

The safety at work has first priority in our daily work. We save resources, protect the environment and act in accordance with man and nature.”
